 - b. Absent: No members absent.
2. Public Comment- No public comments at this time.
3. Approved EESAC Minutes for November 30th, 2024
 - a. Ginett Camacho motioned, Jessica Porter seconded; motion passed unanimously.
4. Mid-Year Data Report
 - a. Reading proficiency is 59% for FAST progress monitoring 2. 86% of our students demonstrated growth and are on track to be proficient by the end of the school year. We have began tutoring for our lowest 25% of students which will help close in those learning gaps. For math we have 81% of students proficient at this time. 89% of our students demonstrated growth from PM1 to PM2. As you can see second grade reading proficiency is at 70% while math proficiency is at 74%. This is important for our school because next year is the first year that our school will receive a school grade. These second graders which the majority have been with us since kindergarten are our future third graders. The only accountability group for us next year is third grade, this group of students will determine our school grade.
5. SPSA SIP Reflection
 - a. The school is making adequate progress towards fulfilling our School Improvement Plan goals for the 2023-2024 school year. FAST PM 2 data has demonstrated that 73% of our ELL students have demonstrated at least a 5 month placement growth, which is on track to achieve our goal of moving 70% of our ELL students at least one year's academic growth.

6. Budget

- a. There have been no changes to our school budget. The budget is public knowledge and is available on the school website www.southpsa.com, under quick links.

7. Facility Update

- a. The building is under construction and is moving quickly. Once the building is complete, we will begin to apply for operation permits.

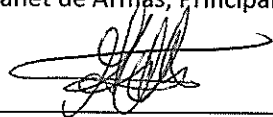

8. Next meeting

- a. Will be in May.

9. Adjournment: 8:12 a.m.

Dianet de Armas, Principal

Ginett Camacho, EESAC Chair
